Pre-requisites

- "Full Access" to "Outcome Submission" tile
- Active Agreement with Outcome Indicators

   - Only **numerical values** are allowed in the outcome progress reporting fields. If the Target is in % format, please enter the numerical value only (e.g., if progress is 80%, enter "80")
   - Outcome reporting should be **cumulative of past progress**. For e.g., if you had an outcome progress of "50" in May, and you previously reported "70" for your outcome progress in April, please enter the cumulative value when reporting progress for May, i.e., 70 + 50 = 120
   - You will be able to submit outcome progress throughout the validity period of an Agreement. If you would like to submit outcome progress after the Agreement End Date, you will be able to do so by updating the value(s) in the latest period
