Training Providers

Grants on Training Partners Gateway (TPGateway)

This guide is meant for Training Providers to manage training grants on TPGateway.

Manage Grants and Enrolments

Pre-requisites

- "Full Access" to "Grants" tile
- Course Run created
- Enrolment(s) submitted for Course Run

1. Search for the Course Run and click on the Course Run ID

   Search fields for "Start Date" and "End Date" under the Grants Overview will auto-populate to retrieve data spanning a 6 months period

   By default, the "Start Date" is set to 3 months prior today's date, and "End Date" is set to 3 months after today's date. Adjust the "Start Date" and "End Date" to display course runs beyond the 6 months period

2. The submission deadlines for Trainee Enrolment, Attendance and Assessment records tied to the course run will be indicated within the Training Summary Page

Under Training Summary

3. Under Trainee's section, you may view the following:

   - Enrolment ID
   - Trainee ID
   - Trainee
   - Enrolment Status (no funding for cancelled enrolments)
   - Attendance (no funding for non-certifiable courses if attendance score is below 75% and no funding for certifiable courses/courses offered by SSG-appointed CET Centres without at least 1 attendance record)
   - Assessment (no funding if assessment failed or NIL)
   - Fee Collection Status (no funding if full payment has not been collected)

   The overall attendance and/or assessment (if applicable) scores will be populated *after* the submission deadline <u>and</u> only include records submitted *within* the submission deadlines (i.e. any late records will not be taken into consideration as part of the grants disbursement criteria)

   The "Assessment" column will only be populated for *courses with assessments*

   To receive funding, please ensure that full payment has been received from the respective trainee or employer (where trainee is employer-sponsored) and update the trainee's "Fee Collection Status" promptly under the trainee's enrolment record

   Click on the Enrolment ID to enter "Enrolment Detail" Page to update "Fee Collection Status"

Training Providers

Grants on Training Partners Gateway (TPGateway)

This guide is meant for Training Providers to manage training grants on TPGateway.

Under Attendance Section

4. (Where applicable) Click ⠿ to access the "Attendance" tile to manually upload attendance records

Under Assessments Section

5. (Where applicable) Click Manage Assessments to upload assessment records

View Course Run Grants

Pre-requisites

- "Full Access" to "Grants" tile
- Course Run created
- Enrolment(s) submitted for Course Run

1. Search for the Course Run and click on the Course Run ID

   The default display is 3 months before and 3 months after today's date. Adjust the dates to search for course runs with start date and end date outside the default date range.

2. Click View Grants to view all grants associated with the course run

   The "Grants Estimated" is an indicative amount; the final grant amount disbursed is subject to the fulfilment of the grants disbursement criteria

   Click on the Enrolment ID to enter "Enrolment Detail" Page to view the breakdown of eligible grants and payment status for the selected trainee

3. Click Excel View to download your course run grants-related information in an Excel file

   You can search for a trainee's course run grants-related information using the "Trainee ID" search filter.
